

## Office of Development • 2019-2020 Annual Report

*Truly a Place to Belong*

## From the Chairman

Dear Friends and Supporters,

Once again your loyalty has been matched by your financial support, recognized in this annual report. Your commitment is a reflection of the positive energy our Principal, Michael Alexander, retired Army Officer and veteran educator, brings to his work leading our staff and students every day.

Our Development team is led by Brooke Duffy as the MSJ Director of Development. Brooke has worked in the non-profit sector as Development Specialist and Director in Vermont and throughout New England. She managed, developed, implemented, and marketed core tactics and initiatives, as well as built strategic plans and projects in the region. Although she has officially retired, Kathy Bove continues in the office in a volunteer capacity, supporting Brooke and continuing to provide continuity and experience to the Office's operation. Our graduates continue to excel and our community continues its support as new, young alum leadership grows. Like every living organism, we continue to evolve, blessed with our past and optimistic about our future.

Our building has received many needed upgrades, our staff enthusiastically welcomed new additions, and our students continue to represent all of our highest traditions. We expect that their giving spirit and the lessons learned at MSJ today will benefit our community for decades to come.

Finally, as an indication of our optimism for our future we are in the months long process of creating a strategic plan with broad community involvement. We encourage any recommendations you wish to provide to our Principal. This will be our blueprint guiding us forward to meet our goals well.

Thank you again for your generosity and stay tuned for other good news!

Best,

## From the Principal

Dear Mount St. Joseph Supporters,

As we enter our one hundred and thirty-eighth year, we are certainly living in unprecedented times. This past school year was a challenge for the entire Mount St. Joseph Family. We had to come together, think creatively, adapt rapidly, and lean on our values and morals to ensure our students were provided the education they deserved. I could not have been prouder of the accomplishments of our students and the absolute dedication exhibited by our faculty, staff, families, and volunteers. I felt it was a shining example of how Mount St. Joseph Academy stands out as a premiere educational institution.

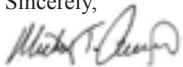

As we move forward, Mount St. Joseph Academy and Christ the King School continue to improve an already solid relationship. We are working toward the goal of becoming a singularly focused entity dedicated to the advancement of Catholic Education in the greater Rutland County. Our initiatives, such as advanced Algebra for Christ The King with eighth graders, joint fundraising activities and inclusive participation in extracurricular sports all ensure we are working closely with collective families and the community to foster a culture of collaboration and coordination.

While surrounding high schools opted to incorporate distance learning or a hybrid model combining limited in-person learning with remote learning, Mount St. Joseph Academy continues to provide a superior educational experience to students from throughout Rutland County-by providing traditional in person education five days a week! This is truly “A Place to Belong”; it is a school where students can learn and teachers can teach. Mount St. Joseph Academy provides a positive learning environment where students can grow- academically, spiritually, physically and emotionally now more than ever!

Last year students achieved a nearly perfect acceptance rate to post-secondary institutions. The lone accepted graduate who did not choose to pursue post-secondary education was already employed in a very lucrative local trade. The experiences gained on Convent Avenue propel our students into the challenges of life ready to take on all that it has to offer because they are equipped with attributes like courage, compassion, resiliency, and a desire to achieve excellence. Our students are our future leaders and we are confident they will go out into the world with valuable lessons to be successful citizens.

I continue to feel blessed to be given the tremendous responsibility to lead this institution and with your continued generosity and support I am supremely confident that Mount St. Joseph Academy will continue to provide the future leaders and successful citizens needed to support our great nation! God Bless you all, God Bless Mount St. Joseph Academy, and God Bless the United States of America.

Sincerely,

Michael T. Alexander, LTC (Retired), US Army  
Principal, Mount St. Joseph Academy

## Gift Summaries

Your wonderful support of all fundraising activities of Mount St. Joseph Academy, including our Annual Fund, Scholarship donations, and events has been excellent. Many thanks to our alumni, friends, parents and past parents, and community and business supporters for your generous gifts to MSJ.

Our Development efforts are vital to the overall operations of Mount St. Joseph Academy. The funds raised help to offset yearly school expenditures and provide tuition assistance to students. Your gifts have continued to assist MSJ to provide a Catholic education to students in Rutland and the surrounding community.

## Peter Giancola, Community and MSJ Leader and Supporter

Peter Giancola was a man of many gift and talents, and he offered his gifts to his community in many ways. Some remember him as a wonderful musician, some as a knowledgeable engineer, and some as an active, engaged and generous community member. His family misses a dedicated and loving son, brother and father.

For the Christ the King and MSJ Community, we have lost a dedicated alumnus, parent, and leader. Peter was the son of Joseph and Barbara Giancola, both MSJ graduates, he attended Christ the King School and graduated from MSJ in 1984. After being away at college and in early engineering jobs in Massachusetts, Peter returned to Rutland and worked for the family businesses. He and Kelly had four children, Grace, Gabriella, Mollie, and Joey, who all attended Christ the King School and MSJ. Peter was the Chair of the Rutland Catholic Schools Board, then became Board Chair of MSJ in later years.

In his role as President of these two School Boards, Peter provided the leadership and vision that was needed to maintain the excellent Catholic education offered by both schools. He was responsible for overseeing the infrastructure and support that was needed at a time when there were both enrollment and funding challenges. He and the Giancola Family provided many in-kind services and repairs to the buildings and care of the facilities. He believed in the well- rounded and faith-based education that Christ the King School and MSJ offers and worked hard to ensure its future.

Pete was a man of strong faith, and had a wonderful, positive outlook on life. He battled brain cancer for over ten years, but always had an upbeat greeting and a big smile. The CKS and MSJ Communities have lost a tremendous supporter, and we grieve his loss. Please remember Peter and his family in your prayers.

## *Keeping the MSJ Spirit Alive - Veritas et Puritas Society*

John C. Stewart II '57

Mount Saint Joseph proudly features John Stewart as a Member of its Veritas et Puritas Society, a society comprised of individuals who have chosen MSJ as a beneficiary in their estate planning.

John Stewart looks back on his time at Mount St. Joseph Academy fondly. John grew up in Cuttingsville and came to MSJ after being educated in a one room schoolhouse. While at MSJ, John participated in many extracurriculars, including Dramatic Productions and Dance Committees. He played baseball and football. In his senior year, he played football under Coaches Fundsie Cioffi and Tony Zingali as one of the “starting eleven.” The 1957 MSJ yearbook described that John “showed great defense as an end and great sportsmanship as a player.” John’s classmates and MSJ’s faculty regarded John as a leader, voting him as one of the Junior Students to attend Green Mountain Boys State. He was an honor student, and in his senior year, John served as President of the National Honor Society.

John states that he very much enjoyed his four years at MSJ. He made many “lifelong lasting friendships” he says, many of whom he still gets together with. One of John’s lifelong MSJ friends, Father Richard Tinney, confirms that John was always looked-up to and respected by his classmates, he was always there and always cared, and has continued to care about the school long after his graduation. Father Tinney and John still get together monthly for lunches.

John is thankful to the Sisters of St. Joseph, and all the dedicated teachers he had while at MSJ. Over the years, he has found many ways to help the Mount financially, whether it was his gift to the Annual Fund, purchasing a locker in the MSJ Tony Zingali Locker Room, or assisting with general capital needs. Because of John’s continued gratitude to MSJ, looking into the future, John named MSJ as a beneficiary in his estate plan -- to help “keep the spirit” of MSJ alive for tomorrow’s students. MSJ graciously thanks John for thinking of MSJ, and his membership in the Veritas et Puritas Society.

# Business Sponsorship Program

## MSJ BUSINESS SPONSORSHIP PROGRAM

*MSJ creates a vibrant, spirited community through academics, athletics, artistic performances, service projects, and well-attended community events, many of which happen in collaboration with local businesses. MSJ has developed an easier way for companies to get their message of support out to the community by choosing a promotional package that fits each business. When a business joins MSJ's Business Sponsorship Program, and takes the opportunity to sponsor MSJ events, they support the MSJ tradition of developing leadership in the community and are truly helping to create the next generation of business leaders!*

*Please contact [development@msjvermont.org](mailto:development@msjvermont.org) to learn more about which sponsorship level would be right for your company.*
