

2021-2022 Annual Report

Office of Development

Truly a Place to Belong

From the Chair of Development

Dear MSJ Friends and Supporters,

After serving in the MSJ Development Office for fifteen years, I now have the honor to serve on the MSJ School Board. Since 2008, MSJ has been very fortunate to have BJ Costello providing guidance and leadership as the Board's Development Chair. BJ is passionate about ensuring that our exemplary MSJ education is available to all students. MSJ has been blessed to have his dedication and passion, as well as his generous gifts over the years. We wish him well as he moves on from the MSJ School Board, but we know he's still in MSJ's corner.

With all the challenges in our world today, a high school education where students feel safe and supported, but also challenged, is of great value. MSJ provides that education to our students in these uncertain times. MSJ's mission is "to enrich and teach our students by integrating spiritual development, academics, extra-curricular activities, and community service." Contributions raised through the Annual and Scholarship Funds are critical to carrying out our mission.

This annual report confirms that our students have amazing support from our MSJ Community—your generous gifts to our students are truly inspiring. By sharing your time, talent, and treasure with MSJ, you make a lasting and positive impact upon the lives of our students. You are the reason we can continue to offer the MSJ Experience.

All that we have achieved, and dream to achieve, is a direct result of your generous support.

I speak for our dedicated Principal Mike Alexander and our committed group of teachers and staff when I say that our gratitude is unending. We thank all of you who support MSJ. As the ultimate beneficiaries of your generosity, our students are also truly grateful for your kindness and support.

God's blessings to you and your family, and I deeply thank you for your support of Mount St. Joseph Academy. Your gifts truly make a difference.

From the Principal

Dear Mount St. Joseph Supporters,

We enter a new school year and celebrate our one hundred and fortieth year at Mount St. Joseph Academy. We have come through unprecedented times stronger, more resilient, and ready to take on the next chapter of our lives. Throughout these past two plus years Mount St. Joseph Academy sets itself apart from the surrounding public schools through a consistent, common-sense approach to caring and educating our students. We continually came together, to think creatively, adapt rapidly, and lean on our values and morals to ensure our students were and still are provided the education they deserve. I continue to be proud of the accomplishments our students have achieved, and the absolute dedication exhibited by our faculty, staff, families, and volunteers.

As we move forward, Mount St. Joseph Academy and Christ the King School continue to operate on a singular mindset. We are working toward the goal of becoming the choice for families within the Rutland area, dedicated to the advancement of Catholic Education. Joint fundraising activities, and inclusive participation in extracurricular sports all ensure we are working closely with collective families and the community to foster a culture of collaboration and coordination.

We have also made great strides leveling the playing field with surrounding high schools. For the third year, we are a full participant in Vermont's Dual Enrollment Program and the Early College Program. Mount St. Joseph students are eligible to take college courses during their junior and senior year at no additional cost to their families. This opportunity enhances an already superior educational experience provided to our students and puts us above par for high schools throughout Rutland County.

We also continue to provide a traditional education experience that is counter to the opportunities at local high schools. Mount St. Joseph Academy provides a positive learning environment where students can grow academically, spiritually, physically, and emotionally now more than ever.

This past graduating class achieved a nearly perfect acceptance rate to post-secondary institutions, with nearly all students matriculating to their first-choice college. In addition, our accessions for this school year equaled the outgoing senior class so we remain strong. The experiences gained on Convent Avenue propel our students into the challenges of life. They are ready to take on all that it has to offer because they have been equipped with attributes like courage, compassion, resiliency, and a desire to achieve excellence. Our students are our future leaders, and we are confident they will go out into the world with valuable lessons to be successful citizens.

As I start my fourth year, I am blessed to be given the tremendous responsibility to lead this institution. With your continued generosity and support, I am extremely confident that Mount St. Joseph Academy will continue to provide the future leaders and successful citizens needed to support our great nation!

God Bless you all, God Bless Mount St. Joseph Academy, and God Bless the United States of America.

Sincerely,

Michael T. Alexander, LTC (Retired), US Army
Principal, Mount St. Joseph Academy

Welcome Carly Ward, Director of Development and Alumni Relations

Carly Ward is our new MSJ Director of Alumni Relations and Development. She came to us last March and so many of you have met her, either in person or through our MSJ email newsletter.

Carly grew up in the Rutland area and graduated from Mill River Union High School. She was a student athlete, playing both softball and basketball, and also a student leader. She graduated from Coastal Carolina University with a BS in Business Administration with a focus in Hospitality, Resort and Tourism Management.

After graduation, Carly's first position was as Wedding and Events Coordinator at the Mountain Top Resort in Chittenden Vermont. In 2021, she was voted as the Rutland Herald best of the best wedding planner. Carly says of her time at Mountain Top that she takes pride in her attention to detail and she cared about the impact her team and event staff created for the resort's clients.

Carly's academic background, her job experience, and her outgoing personality all come together to make her a great person to lead our MSJ Alumni Relations and Development efforts. She has already planned two of our MSJ golf tournaments and has shown herself to be a great Event Coordinator.

Carly has put together several MSJ email newsletters so far, and we have heard from many of our alumni and friends that they enjoy how Carly has included so many great news items and information about both alumni and current students.

When you speak with Carly, she lets you know that she is enthusiastic and excited to lead MSJ in its Alumni Relations and Development. She truly enjoys making relationships and values the role that alumni and friends who believe in MSJ can play in helping today's students. Carly has also gotten to know the students and values the role of Development for their future. She says that "the high school years have a long-lasting impact on our lives, and I want to help our students strive to achieve their goals by showing them how great the MSJ Alumni Community is. Involved, Informed, and Aspiring Leaders."

Carly is excited to learn and share MSJ stories with the community. She invites prospective students, current students, alumni and parents to contact her at MSJ to share their stories. She can be reached at 802-775-0151 ext 2015, or by email at cward@msjvermont.org

Welcome Carly!

Gift Summaries

Your wonderful support of all fund-raising activities of Mount St. Joseph Academy, including our Annual Fund, Scholarship donations, and events has been excellent. Many thanks to our alumni, friends, parents, and community and business supporters for your generous gifts to MSJ.

Our Development efforts are vital to the overall operations of Mount St. Joseph Academy. The funds raised help to offset yearly school expenditures in providing tuition assistance to students. Your gifts have continued to assist MSJ to provide a Catholic education to students in Rutland and the surrounding community.

Truly Missed by the MSJ Community:

Brian Coombs

Brian Coombs was a member of the MSJ Class of 1975. While at MSJ he was an accomplished football player, captaining the 1974 MSJ football team to a Division I State Championship. Brian went on to coach on the high school level in Rutland County for almost four decades and was assistant coach at MSJ from 1997 to 2007. As stated in his obituary "The young men he impacted in this community is immeasurable and his passion for teaching and coaching the game was his true calling in life."

Joe Giancola

"Joe lived a life of immense dedication to his family, work, and community, and was an avid supporter of Mount Saint Joseph Academy. Joe was a member of the Class of 1956 and two years after he graduated became the ski coach. He continued his support by sending both his kids and grandkids to the school. Joe is missed greatly by those who knew and loved him."

—Grace Giancola, MSJ '14—Granddaughter

Francis "Mickey" Kelly

Francis "Mickey" Kelly graduated from Mount St. Joseph in 1948 and was a standout athlete while at MSJ. In the early 1960's he joined with others in the MSJ Athletic Association and donated countless hours to taking care of St. Peter's Field and was a familiar face at the football, baseball, and basketball concessions.

"Mickey always said that he was just a small part of the Athletic Association and hated to be singled out. He was an important part of the MSJ community."—Richard Densmore, '71

Truly Missed by the MSJ Community:

Carole Notte

Carole Notte was a proud member of the MSJ Class of '64 and was a well-known avid MSJ fan. Carole was often seen at MSJ sporting events, especially football. She was an active member of the MSJ Parents and Friends Club and over the years helped with many MSJ fundraisers—Wednesday night bingos, flea markets, craft shows, and pasta dinners, just to name a few. Carole later worked at MSJ for many years, serving as Registrar and Guidance Secretary. The MSJ Community has lost a faithful supporter.

Father Tinney

Father Richard Tinney (MSJ '57) was ordained in 1965, and served Vermont as a priest for 49 years. He served for several years as a parish pastor in the Rutland area, and for many years on the MSJ School Board. Throughout all his priestly years Father Tinney supported MSJ with his loyal presence, his gifts, and his prayerful support.

Gifts Made in Honor

Sr. Shirley Davis, SSJ
Bartley J. Costello, III 1962
Thomas W. Costello 1963

Keeping the MSJ Spirit Alive—Veritas et Puritas Society

MSJ has created the Veritas et Puritas Society to honor the charitable community members who have chosen to include Mount St. Joseph Academy in their estate planning. The members of the Veritas et Puritas Society include MSJ supporters who, through thoughtful planned giving, ensure that resources will be available to support MSJ's tradition of educating the whole child, far into the future.

Pictured above are Tom ('94) & Dia Valente.

MSJ gratefully thanks Tom and Dia Valente for their sustained generous support of MSJ students through the Veritas et Puritas Society.

“Serving on the MSJ School Board allowed me to see first-hand the importance that gifts from estates, whether large or small, have played in allowing MSJ to continue to serve this generation of Mounties. For example, bequests that were given many years ago still provide scholarship assistance for today’s students. Estate gifts have also allowed MSJ to make building improvements that have conserved energy and decreased the cost of maintaining these historic buildings. And it is fair to say that, in some miraculous way, whenever MSJ has had an unmet budgetary need, someone has seen fit to remember the Mount in their will.

Our family would ask you to please consider including MSJ in your estate plan. Even the smallest gift can make a big difference for tomorrow’s students.”

Tom Valente MSJ '94

Simply let us know that you have a planned gift in place by contacting the Development Office at development@msjvermont.org or 802-775-0151 ext. 2015.
