

Office of Development • 2018-2019 Annual Report

MSJ is not a place. MSJ is not a building. We are MSJ!
- Monsignor Richard Lavalley

From the Chairman

Dear Friends and Supporters,

Once again your loyalty has been matched by your financial support, recognized in this annual report. Your commitment is a reflection of the positive energy of our new Principal, Michael Alexander, retired Army Officer and veteran educator. Raised in Rutland County, Mike has quickly become an inspiring leader for our staff, teachers and students.

Our Development team welcomed Brooke Duffy as the MSJ Director of Development. Brooke has worked in the non-profit sector as Development Specialist and Director in Vermont and throughout New England. She managed, developed, implemented, and marketed core tactics and initiatives, as well as built strategic plans and projects in the region. Carrie Savage who, after eight years providing us with her enthusiasm, energy and organizational skills, has accepted a position leading alumni efforts at Castleton University – we thank her and wish her and her family the best. In addition, although she has officially retired, Kathy Bove will continue in the office in a volunteer capacity, supporting Brooke and continuing to provide continuity and experience to the

Office's operation. Our graduates continue to excel and our community continues its support as new, young alum leadership grows. Like every living organism, we continue to evolve, blessed with our past and optimistic about our future.

As was evident to all who attended our Fall Honor Our Past event held at MSJ, our current student ambassadors continue to represent all that our traditions stand for and we expect that their giving spirit and the lessons learned at MSJ today will benefit our community for decades to come.

Thank you again for your generosity and stay tuned for other good news!

Best,

A handwritten signature in dark ink, appearing to read 'B Costello'.

Bartley J. Costello, III '62

Chair, MSJ Development Committee

From the Principal

Dear Mount St. Joseph Supporters,

We are looking forward to another great year on Convent Avenue as we enter our one hundred and thirty-seventh year. As we transition into new leadership, I would like to take the opportunity to thank Sarah Fortier for her years of service and dedication to Mount St. Joseph and wish her and her family good luck and Godspeed in the next chapter of their lives.

As we move forward, Mount St. Joseph Academy and Christ the King School have set the stage to continue to improve an already solid relationship. We are working toward the goal of becoming a singularly focused entity dedicated to the advancement of Catholic Education in the greater Rutland County. We will accomplish this objective by working closely with collective families and community to foster a culture of collaboration and coordination.

Mount St. Joseph Academy continues to provide a superior educational experience to students from throughout Rutland County. This is truly “A Place to Belong” and furthermore it is a school where students can learn and teachers can teach. Mount St. Joseph Academy provides a positive learning environment where students can expand; academically, spiritually, physically and emotionally. We have student representation from all around Rutland County, New York, Haiti, Vietnam and Germany. We are hopeful that our reach will continue to expand and grow.

Last year students achieved a nearly perfect placement percentage in post-secondary institutions throughout the United States and based on initial estimates, will achieve the same results this year as well. The experiences gained on Convent Avenue propel our students into the challenges of life ready to take on all that life has to offer because they are equipped with skills like courage, compassion, resiliency, and a desire to achieve excellence. Our students are our future leaders and we are confident they will go out into the world with valuable lessons to be successful citizens.

I am incredibly proud to be given the tremendous responsibility to lead this institution and with your continued generosity and support I am supremely confident that Mount St. Joseph Academy will continue to provide our nation with the future leaders and successful citizens needed to support our great nation! God Bless you all, God Bless Mount St. Joseph Academy, and God Bless the United States of America.

Sincerely,

Michael T. Alexander, LTC (Retired), US Army

Gift Summaries

Your wonderful support of all fundraising activities of Mount St. Joseph Academy, including our Annual Fund, Scholarship donations, and events has been excellent. Many thanks to our alumni, friends, community and business supporters for your generous gifts to MSJ.

Our Development efforts are vital to the overall operation of Mount St. Joseph Academy because the funds raised help to offset yearly school expenditures and provide tuition assistance to students. Your gifts have continued to assist MSJ to provide a Catholic education to families in Rutland and the surrounding community.

Some things never change: Sister Shirley continues at MSJ

It's no surprise to find Sister Shirley Davis, SSJ, back in a classroom.

Her career in education has spanned more than 50 years, beginning as a teacher at Christ the King School. From there, Sister Shirley spent more than three decades at Mount St. Joseph Academy, as a math and religion teacher, and later as principal.

Even retirement hasn't kept her from educating students. Now, Sister Shirley has returned to MSJ to tutor students in algebra and geometry as part of the Foster Grandparent Program.

"Being back here, I'm amazed how many former students come in because they want to say hello," Sister Shirley said. "The alumni of this school are phenomenal. I have never asked them for anything they haven't given."

Sister views MSJ as important to her personally, as well as being a significant piece of the greater Rutland area.

"It is my opinion that all of us, alums and others, should continue to support MSJ in whatever way is possible for each of us. We all must remember that someone enabled each of us to get an education and to add to our fellow beings."

MSJ’s generous donors have a long history of lifetime giving, and this program gives us an opportunity to thank and recognize our members during their lifetimes. The members of Veritas et Puritas Society includes alumni, parents, and

friends, who through thoughtful estate planning, deferred giving, and other forms of planned giving, ensure that resources will be available to support MSJ’s tradition of educating the whole person - academically, spiritually and physically - far into the future.

Please consider joining the Veritas et Puritas Society today. It is easy to enroll, whether you have already included MSJ in your estate planning or you are just beginning the process. Just let the MSJ Development Office know of your intentions and we will contact you with the details of your membership. If you have any questions or would like to become a Veritas et Puritas Society member, please call the Development Office at 775-0151, ext. 2015 or email development@msjvermont.org.

Business Sponsorship Program

MSJ BUSINESS SPONSORSHIP PROGRAM

MSJ creates a vibrant, spirited community through academics, athletics, artistic performances, service projects, and well-attended community events, many of which happen in collaboration with local businesses. MSJ has developed an easier way for companies to get their message of support out to the community by choosing a promotional package that fits each business. When a business joins MSJ's Business Sponsorship Program, and takes the opportunity to sponsor MSJ events, they support the MSJ tradition of developing leadership in the community and are truly helping to create the next generation of business leaders!

Please contact development@msjvermont.org to learn more about which sponsorship level would be right for your company.
